Publications, Presentations and Other Contributions (see instructions for formatting)

A large empty rectangular box intended for students to list their publications, presentations, and other contributions.

Exceptional Circumstances

Describe any interruptions or exceptional circumstances that affected your academic progress.

Statement of Intent

Outline the following (do not exceed space provided below; do not attach any other documents):

- Your specific area of academic interest (research topic you want to work on)
- How your past education and other experiences have prepared you to be successful in the graduate program; describe any work you have done in this area already (mention specific skills/techniques you have picked up)
- What you hope to achieve in the graduate program
- Why this particular program at UBC is the best place for you to pursue your interests; connect your area of interest to work being done in the program (mention specific faculty members and projects).

Statement of Intent, continued

A large empty rectangular box intended for the continuation of the Statement of Intent.
