

## Course Exemption Form

Students may be exempted from specific course requirements if the graduate program is satisfied that **the student has acquired the knowledge from courses previously taken or from experience.**

Exemptions **do not** reduce the total credits required for a degree. In such cases, the graduate program should substitute a more appropriate course.

The exemption from the specific requirement must be recorded on the student's academic record. <http://www.calendar.ubc.ca/okanagan/index.cfm?tree=18,285,984,1167>
